

ATMC Cable Update

Effective December 31, 2019

Possible Removal of FOX Networks

ATMC is currently in contract discussions with FOX Networks, the parent company of FOX News, FOX Business, FOX Sports 1 (FS1) and FOX Sports 2 (FS2) for continued carriage of these channels. Our existing agreement expires on December 31, 2019. FOX Networks is demanding that ATMC pay substantially more in monthly fees for each network, and we do not believe the ratings for these networks justify the exorbitant increases for which they are asking.

Although we are working to negotiate a fair price for continued carriage of all FOX Networks after December 31, FOX may require that ATMC remove these channels until a new agreement is secured.

We are doing our best to ensure that a fair deal is reached with FOX Networks in an effort to combat rising programming costs. We will keep you updated with more information as the situation progresses.

Below is a full list of channels in negotiations:

<u>Channel Name</u>	<u>Channel Position</u>	
FS1	23	(HD on 976)
Fox News	59	(HD on 905)
Fox Business	61	(HD on 904)
FS2	249	(HD on 977)
