

# Digital Cable User Guide

## Video On Demand

Press the ON DEMAND button on your remote control for instant access to free shows, new release movies and much more!

### FREE Programs On Demand

Get thousands of hours of FREE programming from some of your favorite networks like ABC, NBC, Discovery, Lifetime, NFL Network, Disney and many more.

### New Release Movies

Choose from a huge library of new release movies, including comedies, dramas, family favorites and events - most in HD and many available up to 28 days before Netflix® & Redbox®. Use your remote control to order, as well as pause, rewind and fast-forward.

### Subscriptions On Demand

Watch some of your favorite movies and original series from HBO, Cinemax, Starz & Showtime - each available at no extra cost as part of your monthly premium channel service.

## Caller ID on TV

Caller ID on TV displays the caller's name and phone number on your television screen so you can decide whether to answer or ignore the call. Caller ID on TV is included at no extra charge if you have ATMC Telephone Service with Caller ID.

### To turn Caller ID on TV OFF/ON:

1. Press the MENU button on your remote control.
2. Scroll to 'Applications' on the Main Menu and press OK.
3. Scroll down and select 'Caller ID Settings' by pressing the OK button.
4. 'On-Screen Message' should be displayed.
5. Press the Right Arrow button and OK to 'Disable On-Screen Message'. Press the Left Arrow to 'Save'.
6. Or, select 'Snooze' to temporarily disable the feature for 3 hours only. *These steps must be performed on each digital cable box.*

### To view Caller ID History

1. Press the MENU button on your remote control.
2. Scroll to 'Applications' on the Main Menu and press OK.
3. Select 'Caller ID' and your Caller ID history will appear.
4. You will be given the option to 'Delete' or 'Delete All' at the bottom of the screen. Caller ID history will store up to 50 calls.

\*ATMC telephone service with Caller ID feature required.

## Remote Control

January 2017  
IPTV System

Note: The buttons and features shown in the remote control illustration may differ from your remote control. The remote control shown is for sample purposes only. Record, Rewind, Fast-Forward and Play controls available only with Whole-Home DVR feature. Remote control buttons may need to be programmed before using.

Call 910.754.4311 for details.

## to turn on TV & digital cable box

On your remote, first press the TV button, then the Power button to turn on the TV. Next press the STB button, then the Power button to turn on the set-top box. Once both are on, the last watched channel will appear on your TV.

## getting program info

Press the Info button and a brief description of the program will appear as well as other options such as Watch and More Showtimes.

## using the menu screen

Press the Menu button. When the Menu screen appears, use the Up and Down Arrow buttons to select a heading. Use Right, Left, Up & Down Arrow buttons to highlight options under each heading. Then press OK to select.

## using the guide

Press the Guide button on your remote to view 90 minutes of programming at a glance and search for programs. Use the Up & Down Arrow buttons to scroll vertically. Use the Right & Left Arrow buttons to scroll horizontally. To begin playing a program press the OK button.

## browse without changing channels

Press the Up or Down Arrow buttons to display the Browse panel and to scroll through programs. Press the OK button to tune to the program or to find out more information. To close the Browse panel, press Exit.

## advanced search

The Search feature allows you to search by title or actor. Press the Menu button and select the Search option. Use the Arrow buttons to highlight a letter, then OK to select the letter. As you add more letters, the search results are narrowed down. Arrow right to access programs found. Once a title is selected, the play times will be displayed.

## Block Purchases

To block all Video On Demand and Pay-Per-View purchases you must use the 'Block Purchasing' option in the Settings menu. Here's how:

1. Press the Menu button to display the Main Menu. Scroll to 'Settings' using the Down Arrow button on your remote.
2. Scroll down to 'Parental Controls' and press the OK button to select.
3. Select 'Parental Locking'.
4. Enter 4 digit PIN code. (you will be asked to establish a 4 digit PIN code the first time you access these options)
5. You must now enable the lock feature by selecting 'Lock' on the left side of screen.
6. Select 'Change' next to 'Rentals' and OK to 'Lock Renting'. Select 'Save'. This will block all Video On Demand and Pay-Per-View purchases.

## parental controls

### Program Blocking Options

There are several options for blocking undesired content. To activate these options you must use the 'Parental Controls' option in the Settings menu. Here's how:

1. Press the Menu button to display the main menu. Scroll to 'Settings' using the Down Arrow button on your remote.
2. Scroll down to 'Parental Controls' and press the OK button to select.
3. Select 'Parental Locking'.
4. Enter 4 digit PIN code (you will be asked to establish a 4 digit PIN code the first time you access these options)
5. Select whether you want to block Rentals or if you want to block by Channel, TV or Movie Ratings or Adult Programs. Select 'Save' to activate the setting. You may use multiple blocking options together.
6. Select 'Lock' to save all Parental Control settings and return to the Main menu.

## More About the Box

- ◆ Great news! If you have an HDTV, you've got instant access to **over 100 HD channels** including locals, premium movies, pay-per-view events and more. Best of all, there's no HD access fee.
- ◆ The **Extended Program Guide** lets you see what's scheduled to show up to 14 days in advance.
- ◆ Order Pay-Per-View movies and events with a click of your remote with **Pay-Per-View Purchase by Remote**. (channels 350-353 & 357-359)
- ◆ See who's calling without leaving the couch. **Caller ID on TV** displays the caller's name and phone number on your TV screen so you can decide whether to answer.\*
- ◆ Restart a program that is currently airing or has recently aired from the beginning with **Restart TV**.
- ◆ Now you can watch and schedule recordings from any room in your home! All you need is a DVR and ATMC's **Whole-Home DVR Service**. Call for details.

\*ATMC telephone service with Caller ID feature required. †Whole-Home DVR service fee and cost of DVR not included. ATMC installation required. Other restrictions may apply.
